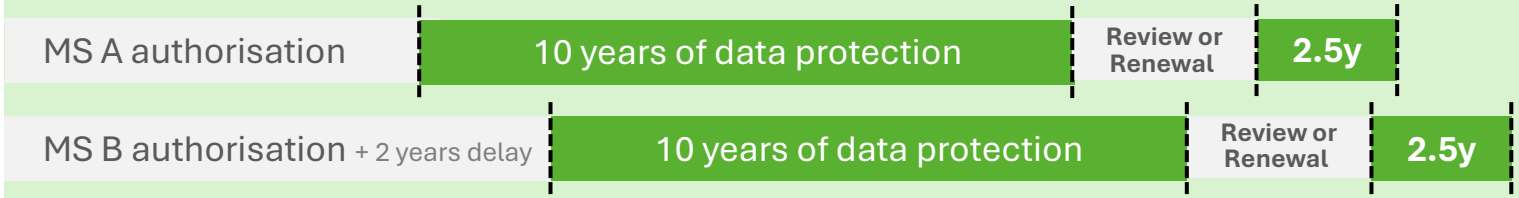
EU APPROVAL OF ACTIVE SUBSTANCE

MEMBER STATES AUTHORISATION OF PRODUCT

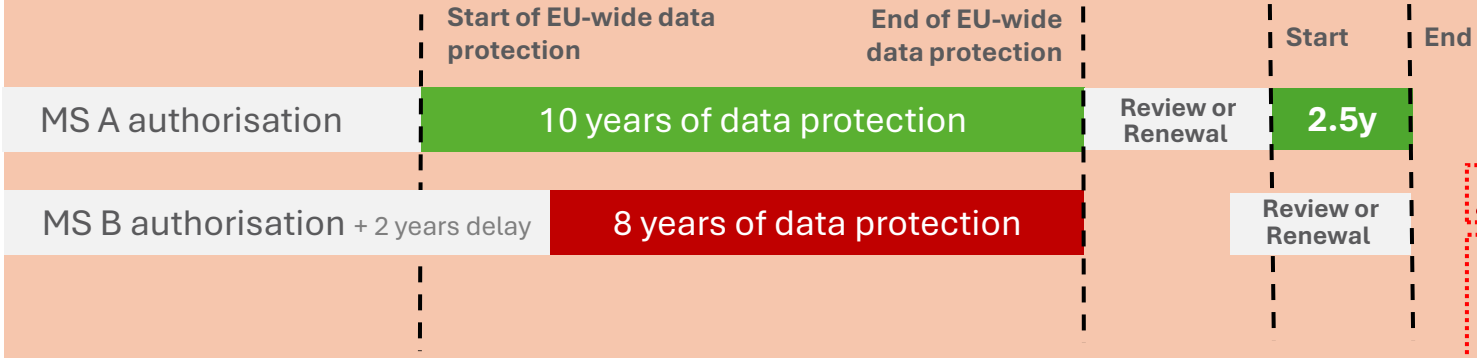
MARKET

- Regulation 1107/2009
  - EU approves active substances
- Renewals and reviews of existing products take most time and investment to ensure solutions for farmers remain available.

CURRENT SYSTEM



PROPOSED EU-WIDE SYSTEM
UNDER THE FOOD AND FEED SAFETY OMNIBUS



Protection lost

If protection is shortened or lost, there is no incentive to generate data. **Farmers would lose out on solutions.**

Effective **data protection** is **signficantly reduced** in an EU-wide system
